EXCHANGE / REFUND

If the item/s ordered do not meet your expectations, and the return is made within the return period, then an exchange or refund can be carried out without any problems. For further information, please visit the Customer Service section of our website.

Would you like another item - as quick as possible? Simply make a new order through our online shop.

The monetary value of the returned goods will be subtracted from your new order, no matter if it's an exchange or refund.

For advanced or cash payments, we would need your bank details for the reimbursement transaction:

You have the right to withdraw from this contract within 30 days without giving any reason. The withdrawal period will expire after 30 days from the day on which you received the order. To exercise the right of withdrawal, you must inform us of your decision to withdraw from this contract by an unequivocal statement. You may use above withdrawal form or print out the template. To meet the withdrawal deadline, it is sufficient for you to send your statement concerning your exercise of the right of withdrawal before the withdrawal period has expired (within 30 days from the day on which you received the order). We will carry out such reimbursement using the same means of payment as you used for the initial transaction. You will not cover any additional costs concerning that return.
